AANLEIDING

- › Europese Onmacht, Schaamte & Polarisatie
- › Palestijns-Israëlische Vrede & Verzets-Inspiratie

Inspiratie van de World Council of Churches:

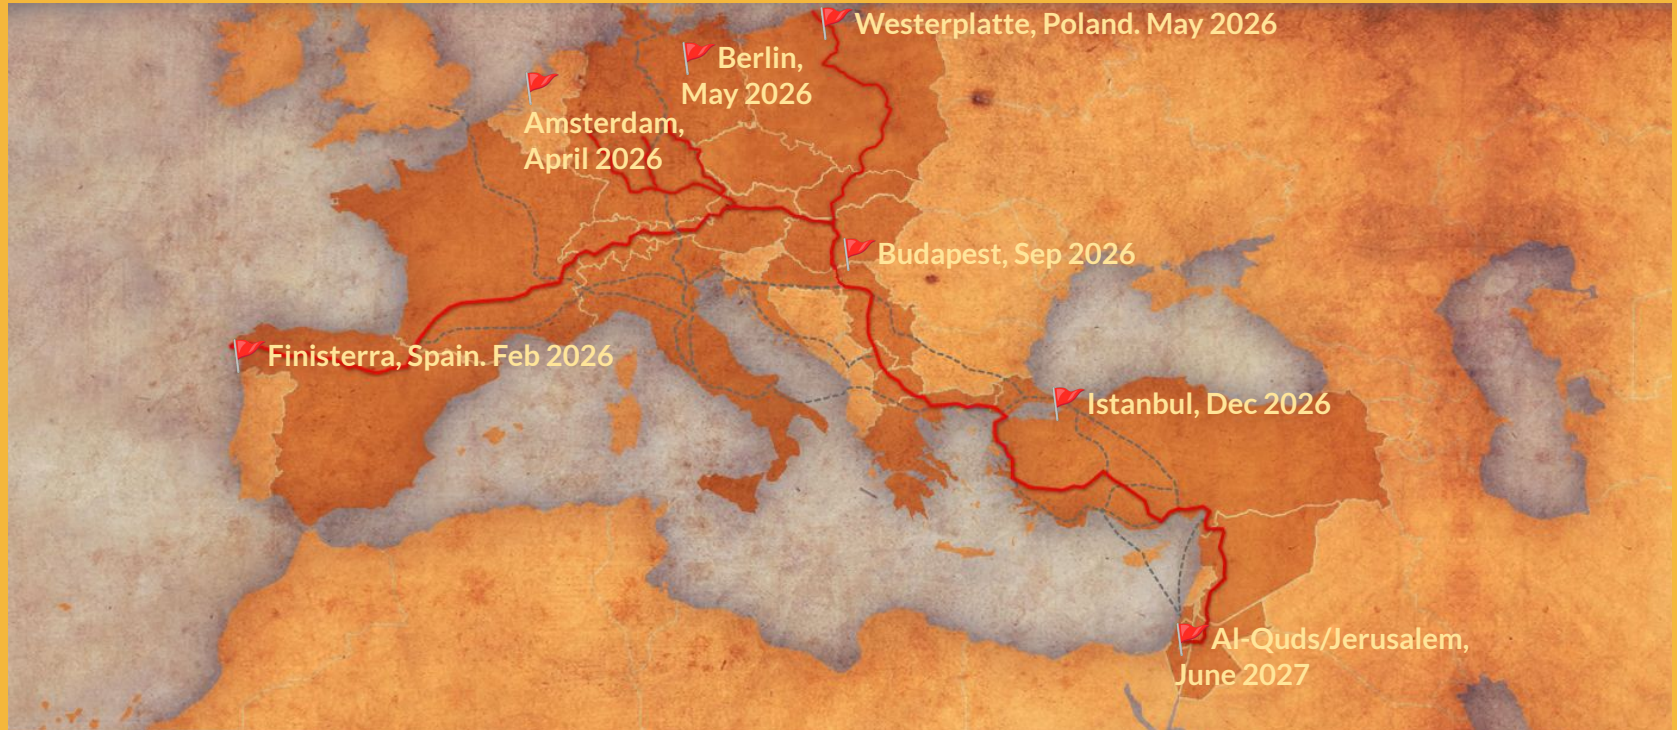

“WCC calls on churches everywhere to walk together, viewing their common life, their journey of faith, as a part of a Pilgrimage of Justice and Peace. We invite you to join in celebrating life and in taking concrete steps toward transforming injustices and violence.”

**Hope is not just a
feeling, hope is
something you need
to walk.**
